

COMMON LABELS AND RIBBONS

These generic labels come in common sizes and are certified to work with your Global Shop hardware.

If you don't see the type of labels you need listed below, please contact us. We carry many other sizes of labels and ribbons, these are just the most commonly requested.

EMS Barcode Solutions also specializes in custom ribbons, and we will work with you to help you get exactly the label that you need.

SUPPLIES FOR DESKTOP PRINTER (GSS-LABEL-PTR-D)
